for the Seventh Circuit
219 South Dearborn Street
Chicago, Illinois 60604

2005-5

5/4/2005

POSITION VACANCY

Position: Programmer/Analyst

Salary Range: CL 25/1 - CL 26/61 ($35,793 - $64,110) depending upon qualifications

Closing Date: Open Until Filled

Position Overview:

The Programmer/Analyst is located in the Clerk's Office and is responsible for the implementation, development, testing, and documentation of existing and new applications software. The incumbent participates in the analysis, implementation, operations, modification and support of nationally supported automated systems. Further participates in the analysis, development, implementation, operation, modification and support of local systems development and enhancement efforts. The position has responsibilities in the area of training staff, equipment installation, and operation and maintenance, and database security. The incumbent will also be involved with the support and maintenance of a large relational database. Additional duties will include some end user technical support for PC based systems.

Required Qualifications:

•   Bachelor's Degree in a related field from an accredited institution is preferred.

•   Minimum of two years of progressively responsible experience, including at least one year equivalent to work at the CL 24, related to the technical aspects of data processing, office automation, and data communications and their applications, terminology and methodology, including the accomplishment of computer project assignments that involved systems analysis, design, programming, implementation, integration and management.

•   Experience working directly with clients and strong writing and verbal skills.

Preferred Qualifications:

•   Experience in writing SQL (Informix preferred) with a good understanding of relational database design and use.
•   Working knowledge of client and server-side Java programming.
•   Experience working with any of the following is a plus: Java Swing, HTML, XML, Linux, Perl, C, JDBC, Visual Basic, Vbscript, or web based applications.

Application: Please forward resume with cover letter and salary history to:
